

Angle Road-Dog Park Loop 3.45 miles 115 feet elevation gain/loss
From Lakes go into Fort Steilacoom park and turn right, following the ravine trail to the lake. Follow the right hand side of the lake, and then take the dirt road out to Angle lane. Turn left at the end of the dog park and follow the road around the dog park until you come back to the barns and parking lot. Take the right hand side of the lake and follow the hill trail out of the park.
